

# **EUROSAI WGEA**

## **Mediterranean subgroup**

# Members of the Mediterranean subgroup

# Why Mediterranean subgroup?

Environmental issues become more and more important in the area

**Raise importance of environmental auditing throughout Mediterranean SAIs**

## Why Mediterranean subgroup?

### **Common environmental issues:**

- pollution of the Mediterranean sea;
- consequences of mass tourism;
- managing costal areas;
- consequences of climate change

**common audit topics**

**parallel/joint audit**

## How do we work?

- **Annual / frequent meetings** → discuss common issues, issues related to the topics of annual meeting/seminar;
- **initiative to the Mediterranean SAIs** to increase cooperation by exchanging information / increasing cooperation

# Future plans of the sugroup

- **Prepare and conduct seminars** about environmental issues of common SAIs' interest;
- Initiative for **parallel/joint audit about pollution of Adriatic / Mediterranean Sea** (end of 2012/2013)

**Thank you for your  
attention!**
