

EUROSAI WGEA

**Proposal for a new
organisational model**

Proposed new organisational structure

Composition of the steering committee

- Up to 10 members:
 - members
 - observers
 - SAI acting as Chair will be a permanent member
- Criteria for the SC members:
 - represent a variety of methodological approaches to environmental auditing
 - large variety of countries or areas (e.g. not dominated by one geographical region)

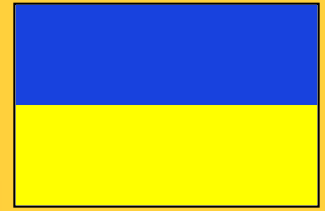

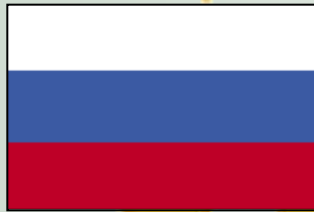

Role and responsibility of the SC

“Support and provide strategic direction to the work of EUROSAI WGEA”.

- provide advice and recommendations for work plans
- follow up and monitor the planned activities and tasks
- provide strategic advice to the Chair
- carry out reviews and provide advice on project-specific plans, progress reports and project drafts
- provide advice to the Chair on the programme and location of annual meetings
- improve communication within the Working Group.

Proposed members of the Steering Committee

Business to be discussed at the 1st steering committee meeting

- Identify and approve the main EUROSAI WGEA projects
- Approval of ad-hoc advisory groups/subject matter experts
- Follow up EUROSAI WGEA projects
- The 7th EUROSAI WGEA meeting 2009
 - Topics
 - Time and location
